

Hello, my name is Hailey Hernandez. My passion for volleyball started in 3rd grade right here at our local YMCA. While progressing as I got older, I had the opportunity and ability to play throughout select teams, middle school, and high school. I went on to hold a defensive specialist title in high school also known as libero and receive defensive MVP both 2016 and 2018. Although my specialty is in defensive work, I am a versatile player and can also serve, set, and hit. I have experience in coaching volleyball teams especially here at the YMCA but, want to further the advancement of the technique with offering specialty training one-on-one and in small groups. I am offering all areas of technique to mold well-rounded players and also critique for advancement of just that. My mission is to boost confidence and passion on the court by encouraging and assisting the young generation in the game of volleyball.

To myself, volleyball is much more than a game, it is determination, leadership, sportsmanship, responsibility, and passion and I would personally like to thank you for the opportunity to show your child just that. I hope to hear from you soon!
