Meet the Y-Sports Trainer

Hello, my name is Victoria McDevitt. My passion for volleyball started in the 6th grade at Nazareth Academy. I played all 4 years at Victoria West High School and continued playing for 2 years at Victoria College. I have been with the YMCA on and off since 2019, and I am extremely grateful to be growing with the organization. I specialize in serving, hitting, and blocking, but I am known for being a well-rounded player. I am offering private lessons to cover all facets of the game. I will instill the correct technique and skills in your athlete to help them in their volleyball goals. I will raise their level of play while boosting their confidence to become successful on and off the court. I will not only teach your child the ins and outs of volleyball, but I will also help build leaders with character, integrity, determination and sportsmanship. Thank you for the opportunity to work with your child. I hope to hear from you soon!!
