YMCA OF THE GOLDEN CRESCENT
2021 ANNUAL REPORT

YMCAVICTORIA.ORG

DEAR YMCA FRIENDS...

"Isn't it funny how day by day nothing changes but when you look back everything is different", "There are far better things ahead than anything we left behind". These two quotes from C.S. Lewis sums up our feelings about 2021. Because of our members and the community the YMCA was able to rebound from the pandemic and come out stronger than ever.

The YMCA rolled out our SHTEAM Bus in August thanks to four community foundations. SHTEAM stands for Science, Health, Technology, Engineering, Art and Math, we have many stations on the bus for students to learn more about STEM activities. We partnered with all three Rotary Clubs in Victoria to continue the EAFK Program in our After School Sites. C.S. Lewis said "Since it is so likely that children will meet cruel enemies let them at least have heard of brave Knights and heroic courage". We are achieving this through our collaboration.

The YMCA of the Golden Crescent has turned the corner and is looking forward to the great things we will accomplish in 2022 and years to come. We invite you to get involved so we can grow together and continued to make a positive impact on our community.

Sincerely,
Luis De La Garza
Chief Volunteer Officer

Sincerely,
William "Bud" Oliver
Chief Executive Officer

Prosperity Bank

Kelly Park

Tom Stocker

We are thankful for our dedicated volunteers, Kelly Park and Tom Stocker!

Kelly & Tom have served on the Corporate Board for many years and have added tremendous value over those years. Kelly & Tom were instrumental in helping the Y obtain two Paycheck Protection Program grants from the Federal Government that kept us going through the pandemic. We truly appreciate Kelly, Tom and Prosperity Bank's long term dedication and commitment to the success of the Y.

OUR STORIES

Ask Shweta and she will tell you that "the Y is my happy place! This is the place to be, this is the place to workout, this is the place to make friends. "

Alex Trevino revealed that "I like the Y, the environment is very warm, family friendly, everyone is always smiling. I am comfortable bringing my little boy here, I have another one on the way. "

Rep. Geanie Morrison informs us that "For anyone thinking about the Y, what a bargain it is. So many things to do so many things to be involved in and there's not any place else that you can get that in town."

Megan, Michael and Harper Brown expressed to us that they "became members for our overall health and to show our kids how to live a healthy lifestyle and to be active."
