WHAT WE DO

The Gonzales YMCA Program Center afterschool program is a state licensed program which is safe, exciting and entertaining for your child.

Our Program Center is supported by the YMCA of the Golden Crescent which has been in Victoria County since 1902 providing childcare programs since 1978. The YMCA of the Golden Crescent provides afterschool programs in Victoria, Port Lavaca, Edna, Palacios, Bay City and now Gonzales!

With a focus on safety, health, social growth and academic enhancement, nationwide Y afterschool programs serve Pre-K through 12 years old with a variety of programmatic and activity options to explore and develop their interests and talents. Our Gonzales program serves Kindergarten-2nd grade with hopes to expand in the future.
