SPONSORSHIP LEVELS

Since 1986 the YMCA has partnered with the community to foster teambuilding, camaraderie, and employee health through annual Corporate Cup events. This has enabled employees to interact with each other outside the workplace helping to build healthy relationships, strong bonds and increased fitness. Through Company sponsorships, the YMCA is able to fund the YMCA Corporate Cup. In 2020 COVID halted this wonderful program.

Now, in 2024 we are all anxiously awaiting it's return! 2024 will complete 33 years of running the YMCA Corporate Cup for our community and the surrounding counties.
