Dear Valued Member,

On behalf of the YMCA Staff and Board of Directors, thank you for your membership and continued support. We continually strive to offer membership at a great value, while focusing on reinvesting in our facility and programs. Over the past 12 months we have added:

- EGYM SMART Technology fitness equipment
- New fitness equipment coming January 2025
- Basketball court updates
- 5 new AC Units thorough out the YMCA

We always aim to be efficient and keep membership costs at a minimum but to continue providing the quality of services that you have come to expect from your Y, it is necessary to implement a few changes to our membership rates. Due to the state of the economy, inflation, supply cost etc., the Calhoun County YMCA will be increasing membership rates by \$1.50 for individual memberships and \$2.50 for all membership types. This increase applies to every membership category. This increase will take effect on January 1, 2025.

The YMCA feels strongly that income should not be a barrier to becoming a member of the Y or participating in any of our programs. Anyone can apply to receive financial support through the "For All" program. Eligibility for financial support and the amount of financial support given is determined on an individual basis.

Thank you for your continued support. We look forward to serving you in 2025. If you have questions or wish to apply for financial assistance, please contact our Membership Director, Julia Maseda, at 361-551-2562. Thank you for your loyalty to the Calhoun County YMCA.

Michele Morales  
Regional Executive Director
