GENERAL STATEMENT OF PURPOSE, RULES AND ELIGIBILITY

2025 BARBARA BAUER BRIGGS FAMILY YMCA CORPORATE CUP

The purpose of the YMCA of The Golden Crescent Corporate Cup is "to promote Community-wide interest and involvement in fitness and health activities." Toward this end, measures are being taken to help assure fair and equitable competition for all participants.

Specific rules have been developed for each of the events; these rules will be enclosed in your team packet. However, those rules and eligibility requirements governing the competition in general are provided below:

ELIGIBILITY

1. **In all Divisions (I, II, III)** team members must be at least **18** years of age.
2. **Divisions I, II and III** team members must be employed by the sponsoring company, organization or agency at the time of the competition or, if laid off, must still be covered under the company's health insurance plan. In addition, contract labor and part-time personnel that are supplying a required service for that company through September 13, 2025 are eligible to participate with that company. **If contract laborers are used, the total number of employees of the contracted Company must be included in the total number of employees. This will determine the division the sponsoring company would fall into.**
3. **Divisions I, II and III** two companies/businesses may combine to enter a team. The two companies/businesses must have a **total combined of 125 or less employees**. Any group or association interested can submit a written request for approval to the Executive Committee.
4. **Divisions I, II and III** unlimited spouse participation will be allowed. (Spouses are considered a married partner and or "significant other" for the purpose of Corporate Cup).
5. **Divisions I, II and III** team members must be employed within one of the following counties: Victoria, Calhoun, Refugio, Jackson, Goliad, Dewitt and Lavaca.
6. **Divisions I, II and III** team members must print and sign their name on the **Corporate Cup waiver (Event Roster)** prior to **each** competition. **All participants must have a valid Texas Driver License or a Texas ID for all events. The team captain is responsible for informing participants.**
7. Individuals not employed by a corporation, company or agency may enter the competition provided they form teams as representatives of their professional group(s). Examples are as follows: Victoria County Medical Society, Victoria Bar Association, etc. Groups needing special assistance may submit a written request.
8. The Corporate Cup Executive Committee reserves the right to review all team entries relative to eligibility.
9. In order to obtain full use of all Corporate Cup benefits **Divisions I, II and III** (which include **30 YMCA** membership) teams must return official entry forms and fees by July 3, 2025. No entries will be accepted after August 13, 2025. The YMCA memberships are to individuals who do not have an existing membership. **To receive the YMCA membership each participant must go to the YMCA in Victoria to fill out a waiver card.**
10. Assignment of teams to divisions based on the number of employees will be as follows:
 - Division I 0 - 125
 - Division II 126 - 400
 - Division III 401 & up

However, the Corporate Cup Executive committee will reserve the right to realign the divisions based on the number of teams entered in each.

When emailing, include the following;

Company Name: _____

CEO Name: _____

Events: _____

Email no later than September 4, 2025. **Teams will be awarded an additional two (2) points if requirements are completed.** If changes occur, from the original email, after September 4, 2025, teams need to contact Rosalinda Ramirez ASAP by text (361-220-0308) or email. Teams must receive a confirmation from Rosalinda Ramirez in order for changes to take effect.

Points Awarded for CEO Participation

PLACE: All Event Locations

TIME: During all Corporate Cup Events

Rules:

1. **Divisions I, II and III** teams can receive **3 points** added to their score if their CEO actually participates in any Corporate Cup event. An additional **3 points** will be added if the CEO actually participates in more than one event, for a maximum of **6 points** that can be obtained for his/her participation.
2. Points will be added to Team scores just prior to the Awards Ceremony after all events have been completed.
3. If a CEO represents multiple teams in the competition, he/she will compete on any one team, but points will be awarded to all teams that the CEO represents. Example: If a bank has two teams and their CEO participates in the 1 Mile Walk/Jog and Cycling for one team, each of the bank teams would receive an additional 6 points.
4. A CEO is defined as the company's highest-ranking local manager. A place will be allowed on the team registration form for designation and identification of this person. If the CEO has circumstances which will not allow him/her to participate due to medical or being out of town - work related, **the CEO shall call Rosalinda Ramirez (361-220-0308) to inform her who will be participating in the CEO's place. This alternate should be the company's second highest-ranking local manager** (This is NOT if the CEO does not wish to participate, it is if the CEO is legitimately out of town). Any clarification should be directed to the Rules & Scoring Committee.
5. If the event in which the CEO participates is the event that the team decides to drop, the CEO points will still be awarded to the team. **If a team cannot compete in an event (example: lack of participants) like the Cycling, a team must participate in that event in order to receive the CEO points.**
6. If two companies combine in forming a team and have two CEO'S each CEO needs to do at least one event to receive their three points. With a total of 6 points maximum.

Background: The intent of awarding points for CEO participation is to encourage management participation and support of their competing teams. It is felt that in doing so, greater overall acceptance and employee participation may result. With an overall higher degree of management support, event and team sponsorships should increase, as will the quality of this community fitness program and competition. It is not the intent of this addition to either penalize or give advantage to any team or group.

VOLUNTEER PROGRAM

PLACE: Assigned Corporate Cup Events
TIME: Through September 13, during all Cup events

Each team will be assigned an event for which they will supply four volunteers. **Teams will turn in a list of which session of events (1st, 2nd, and 3rd preference) they would like to be responsible for by the second captains' meeting.**

Volunteers must sign in with the human resources committee member at the assigned event in order to receive the point for their team. The volunteers must stay for the duration (or find a replacement, 18 or older) that they were assigned to, otherwise no points will be awarded.
