YMCA of the Golden Crescent  
2024 Annual Report

# Welcome

Dear Stakeholders,

2024 was a challenging year for the YMCA of the Golden Crescent. The YMCA has addressed these challenges and we are looking forward to a banner year in 2025!

We continue to deliver our impact in youth development through our continued relationships with local school districts, our parents, and our communities. Healthy Living will be a focus for the YMCA in 2025 as we challenge our members and constituents to “get healthy”. Social Responsibility will be our focus as we continue to offer financial assistance to those in our community who need it and offer programs to address our community’s most pressing needs.

Thank you for your support in 2024, we look forward to enhancing our impact and our relationships in 2025.

# CM Ferguson Award

*J. Thomas Hamman*

Thomas Hamman serves the Crossroads community as an Edward Jones Financial Advisor. He has been on the YMCA Corporate Board of Directors since 2020 and currently volunteers on Finance Committee. We are grateful for his knowledge and financial guidance.

Thomas is married to his wife, Sarah. They have two sons, Cooper and Levi, along with a couple loyal dogs, Frank and Moose. His passion lies in traversing the great outdoors as they enjoy hiking, golfing and hunting together as a family. Thomas also serves on the Board of Directors for Promised Land Outdoors.

We can always count on Thomas to play in our annual golf tournament and usually place in the top 3 teams.

The Y truly appreciates Thomas's dedication and commitment to our success.

We are thrilled to award the 2024 C.M. Ferguson Award to Thomas Hamman!

# Community Champion

## Coastline Advisory Group

Coastline Advisory Group has been an instrumental partner in establishing the lasting legacy of our YMCA.

"We help clients pursue their investment goals with sound financial strategies. You deserve a personal, tailored plan. Lasting, meaningful, and open relationships are the foundation of our practice."

We look forward to the continued growth of our endowment ensuring that the YMCA will be serving our communities for many years to come.

Since 1902, the YMCA of the Golden Crescent has been listening and responding to our community's most critical social needs, ensuring that everyone has the chance to learn, grow and thrive, regardless of age, income, ability, ethnicity or faith.

We focus on youth development, healthy living and social responsibility, and incorporate core values of caring, honesty, respect, responsibility, and faith into all we do.
