Discipline and Guidance Policy

Discipline must be:

- 1) Individualized and consistent for each child;
- 2) Appropriate to the child's level of understanding; and
- 3) Directed toward teaching the child acceptable behavior and self-control.

A caregiver may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:

- 1) Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
- 2) Reminding a child of behavior expectations daily by using clear, positive statements;
- 3) Redirecting behavior using positive statements; and
- 4) Using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.

There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- 1) Corporal punishment or threats of corporal punishment;
- 2) Punishment associated with food, naps or toilet training;
- 3) Grabbing or pulling a child;
- 4) Putting anything in or on a child's mouth;
- 5) Humiliating, ridiculing, rejecting or yelling at a child;
- 6) Subjecting a child to harsh, abusive or profane language;
- 7) Placing a child in a locked or dark room, bathroom or closet;
- 8) Placing a child in a restrictive device for time out;
- 9) Withholding active play or keeping a child inside as a consequence for behavior, unless the child is exhibiting behavior during active play that requires a brief supervised separation or time out that is consistent with 746.2803(4)(D); and
- 10) Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Additional Discipline and Guidance Measures

(Only applies to BAP/SAP programs that operate under Chapter 744)

A program must take the following steps if it uses disciplinary measures for teaching a skill, talent, ability, expertise, or proficiency:

- 1) Ensure that the measures are considered commonly accepted teaching or training techniques;
- 2) Describe the training and disciplinary measures in writing to parents and employees and include the following information:
 - a. The disciplinary measures that may be used, such as physical exercise or sparring used in martial arts programs;
 - b. What behaviors would warrant the use of these measures; and
 - c. The maximum amount of time the measures would be imposed;
- 3) Inform parents that they have the right to ask for additional information; and
- 4) Ensure that the disciplinary measures used are not considered abuse, neglect, or exploitation as specified in Texas Family Code Section 261.001 and TAC Chapter 745, Subchapter K, Division 5, of this title (relating to Abuse and Neglect).
