# CLASS DESCRIPTIONS

**ZUMBA** Dance your way to a fitter you with unique music, Latin-inspired dance moves and rhythms!

**Y-FIT** Group fitness class utilizing a prescription of constantly varied functional movements executed at high intensity. Weight-lifting, running, rowing, and more! Within the workouts, movements can be scaled down (or up!) for any level of fitness, so they're challenging every time.

**CORE & MORE** A workout for your core and MORE using resistance bands, weights, and other tools, as well as body weight exercises such as squats, lunges, crunches, and planks.

**KETTLEBELLS** Strength – Cardio – Core! Intermediate level class with novice and advanced modalities. Using kettlebells, class participants are taken through a variety of movements all designed to develop overall body strength, mobility, internal energy, work capacity, and vitality. Extreme all-round fitness!

**CYCLE** Indoor cycling is a great cardiovascular workout! Pedal through hill climbs, sprints, and many other challenging drills and exercises.

**CYCLE & STRENGTH** Combines indoor cycling with cardio and strength intervals for total body workout!  
**STEPPING TO THE OLDIES** Improve cardiovascular fitness and muscle strength with this beginner-friendly, low-impact step class—bench optional—set to your favorite oldies hits!

**TAI CHI** A gentle, low-impact “meditation in motion” that combines slow, flowing movements, deep breathing, and focused mental concentration. Suitable for all fitness levels, these sessions improve balance, strength, flexibility, and stress reduction.

**YOGA** Calm your mind, build strength in the core and balance in the body, as well as increasing flexibility and range of motion.

**YOGA FUSION** A dynamic full-body workout that combines traditional yoga poses with core strengthening, body sculpting, balance training, mindful breathing, and deep stretching for a well-rounded practice.

**SILVERSNEAKERS CLASSIC** Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a SilverSneakers ball are offered for resistance. A chair is used for seated and standing support.

**SILVERSNEAKERS CIRCUIT** Increase your cardiovascular and muscular endurance with a standing circuit workout. Upper-body strength work with hand-held weights, elastic tubing, and a SilverSneakers ball is alternated with low-impact aerobic choreography. A chair is used for standing support, stretching and relaxation exercises.

**SILVERSNEAKERS BOOM** A higher intensity workout that improves cardio endurance and burns calories. BOOM is all about breaking a sweat and having fun. The class focuses on cardio endurance with simple dance moves then building into a more complex sequence.
