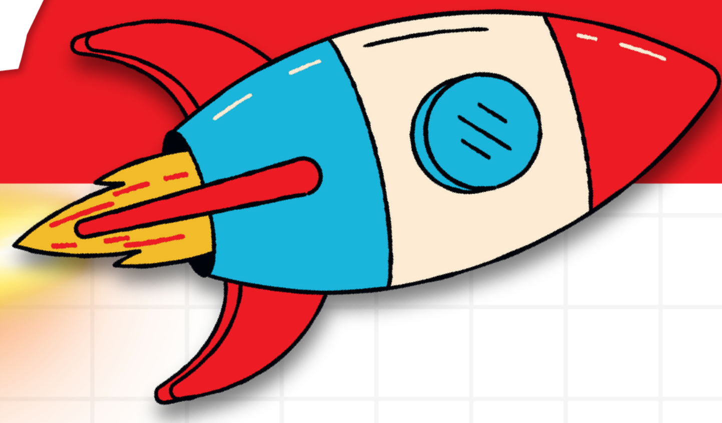
CLAIM YOUR CHILD'S FREE MONEY



THE FIRST STEP TO A FUTURE THAT'S OUT OF THIS WORLD!

WHAT IS IT?

Invest America and the Dell Foundation are helping every American child start building money for the future with an investment account powered by the U.S. Treasury.

HOW MUCH MONEY?

$1,000 for every child born 2025-2028
$250 for kids born 2016-2024 (from Michael and Susan Dell)
You can add money too!

SO, WHAT DO I DO?

JUST CLAIM IT! Do this by using Form 4547 on IRS.gov - create an ID.me account. Identity verification required (driver's license, SSN, video ID).

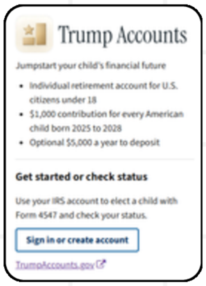
FACT SHEET

Claim a FREE account that the U.S. Treasury has promised to American children ages infant-10 years old.

FORM 4547



STEP 1

Getting Started

- Claim account by using Form 4547 on IRS.gov.
    - This is through the creation of an ID.me account.
- Identity verification required (driver's license, SSN, video ID).
- Once parent ID is verified, you can add child/ren.

STEP 2

Activate Account

- Download Trump Accounts Mobile App
- Create account on app and finish Trump account setup.
- Trump Accounts can be managed via the app.

MOBILE APP

STEP 3

Funds Available

- U.S. Treasury deposits funds automatically - funds are being rolled out in waves depending on account activation. May take a few weeks.
    - $1,000 automatic federal deposit for every baby born 2025-2028.
    - $250 from the Dells for 25 million children born 2016-2024.

Dell contribution depends on zip code and median household income below $150,000.

STEP 4

How Funds Grow

- Families can contribute - up to $5,000 a year.
- A trusted financial firm manages the account - invested in the top 500 U.S. companies at no cost. Earnings are automatically reinvested.

STEP 5

At Age 18

- Account transfers to the child.
- Funds can remain invested or be used for qualified expenses such as education, a home, or starting a business.
- Any money not used stays in the account and continues to grow over time.
